The State Fair of Texas (“SFT”), in its sole and absolute discretion, reserves the right to interpret these EXHIBITOR RULES AND REGULATIONS (“Rules”) and to settle and determine all matters, questions or differences in regards thereto, or otherwise arising out of, connected with, or incident to the annual State Fair of Texas in Fair Park (the “Fair”). SFT further reserves the right to determine, in its sole and reasonable discretion, any unforeseen matters or controversies not covered by these Rules, as amended from time to time.

All Exhibitors are required to enter into a written contract with SFT (“Exhibit Contract”). The Exhibit Contract must be signed by an authorized officer, partner or the sole proprietor of the Exhibitor. In the event of a conflict between the Exhibit Contract and these Rules, the Exhibit Contract will apply.

1. The disregard of any of these Rules by an Exhibitor may subject the Exhibitor to forfeit any and all rental fees, deposits, or other moneys or consideration paid to SFT, or forfeit any and all rights and privileges under the Exhibit Contract between SFT and Exhibitor.
2. Exhibitors shall comply with all applicable federal, state and municipal laws, regulations and ordinances, regardless of whether such laws are set forth in these Rules or the Exhibit Contract. As used herein the word “laws” means statutes, regulations, rules, judicial orders, and other legal pronouncements having the effect of law. Special attention should be given to Texas state laws, including, but not limited to, the Texas Department of Licensing and Regulation (www.tdlr.state.tx.us), Texas Department of State Health Services (www.dshs.state.tx.us), and Texas Department of Transportation (www.dot.state.tx.us).
3. SUBLETTING OF EXHIBIT BOOTH/SPACE TO A THIRD PARTY BY AN EXHIBITOR IS STRICTLY PROHIBITED. The exhibit booth/space must be occupied and used only by the contracting party executing the Exhibit Contract with SFT. All signage displaying Exhibitor’s company/brand name must be the same as the entity that entered into the Exhibit Contract with SFT for the exhibit space, or a reasonable derivative thereof.
4. Exhibits should be constructed in a good and workman-like manner, and appear neat and orderly in appearance. Inventories of merchandise, goods and supplies must be stored neatly out of the sight of Fair patrons. Maintenance and clean-up of the exhibit booth/space during the Fair is the responsibility of the Exhibitor. Exhibitor is responsible for removing all packing materials, bulk trash and other refuse from the exhibit booth/space to the nearest trash dumpster. Please do not ask SFT cleaning staff to clean your exhibit booth/space or remove your trash.
5. All merchandise, goods, and items to be distributed from the exhibit booth/space must be approved in writing by SFT. Exhibitor must be an authorized, licensed or lawful vendor for the products it intends to sell or distribute and Exhibitor must secure all required authorization and licenses for the sale or distribution of any brand-name products, including any copyrighted, trademarked, or licensed merchandise. Adhesive stickers, helium balloons, and Frisbees are not allowed to be distributed by Exhibitors. If Exhibitor plans to construct a custom indoor exhibit which is not in accordance with these specifications, then such plans must be submitted in writing to SFT's Exhibits Department for approval.
