The State Fair of Texas is a 501 © 3 Organization. Effective January 1, 1994, Internal Revenue Code requires us to acknowledge your contribution in writing, and to advise you that the portion of your contribution that is deductible as a charitable contribution for federal income tax purposes is limited to the excess of the value of the contribution over the value of these goods and services (and consumer and charity meat packages).

\* These donor benefits are optional. If you choose to accept these benefits your tax deduction will be further reduced by the value of your benefits and/or meat package. You can choose to receive your full tax reduction in Step 2.

\*\* A meat package can be added to your stated donor benefits. If you choose to add a meat package your tax deduction will be further reduced by the value of the meat package. Please select in Step 3 which package you would like to receive or select "I DO NOT want a meat package."
