NON-HUMAN VERTEBRATE ENDORSEMENT**

These rules are strictly enforced. Advisors and students using non-human vertebrates in their project must complete this form. The signature of the student and the advisor indicate the project was done within the rules and regulations of:

1. Intrusive techniques used cannot exceed momentary pain and must comply with commonly accepted livestock management procedures.
2. Changing an organism’s normal environment by using either aversive stimuli or predatory/prey conditions to study behavior/operant conditioning is prohibited.
3. Food and water cannot be used or withheld for more than 24 hours for maze running and other learning or conditioning activities.
4. The student and advisor have the responsibility to see that animals are properly cared for in a well-ventilated, lighted and warm location with adequate food, water and sanitary conditions. Care must be taken to see that organisms are properly cared for during weekends and vacation periods.
5. Chicken or other bird embryo projects must be terminated at or before ninety-six hours.
6. Projects that involve behavior studies or newly hatched chickens or other birds will be allowed, provided no change has been made in the normal incubation and hatching of the organism and all vertebrate rules are followed.

In the space below, briefly describe the use of animals in your project. Use additional pages as necessary.

By signing below, I certify that this project conforms to the above rules.

**YOUTH AGRISCIENCE FAIR
HUMAN VERTEBRATE ENDORSEMENT**

Recognizing that human beings are vertebrate animals and yet need different criteria than nonhuman vertebrates, the following policies will govern the use of human beings.

1. No projects involving human cultures of any type (mouth, throat, skin or otherwise) are allowed. However, tissue cultures purchased from reputable biological supply houses or research facilities are sustainable for student use.
2. Projects that involve taste, color, texture, or any other choice are allowed, but are limited to preference only. Quantities of normal food and non-alcoholic beverages are limited to normal serving amounts or less. No project may use drugs, food or beverages in order to measure their effect on a person.
3. The only human blood that may be used is that which is obtained through a blood bank, hospital or laboratory. No blood may be drawn by any person or from any person specifically for a science project. This rule does not preclude a student making use of the data collected from blood tests not made exclusively for a science project.
4. Projects that involve exercise and its effect on pulse, respiration rate and blood pressure are approved, if valid, normal physical examination is on file and the exercise is not carried to extreme.
5. Projects that involve learning, ESP, motivation, hearing, vision, and surveys are allowed.
6. No project will be allowed that is in violation of these rules. No person may perform any experiment for the student that violates any of these rules.

In the space below, briefly describe the use of humans in your project. Use additional pages as necessary.

By signing below, I certify that this project conforms to the above rules.

I further certify that I have not administered to this entry animal, nor has it received to the best of my knowledge, any substance in any manner not approved by the FDA and/or USDA for use on livestock for slaughter and/or breeding. I understand and acknowledge that this entry will be tested under the guidelines, rules and regulations of the State Fair of Texas Premium List and this Entry Certification, Voluntary Acknowledgement of Risk, Release of Liability and Indemnity Agreement, I also certify that, to the best of my knowledge, while under my ownership, possession, or direct control, the livestock entry has not been fed any feed containing mammalian protein (i.e. ruminant derived meat or bone meal) as restricted in FDA Regulations 21 CFR 589.2000.

Violations of the rules in the State Fair of Texas Livestock Premium List will result in the disqualification of the animal entry along with exhibitor sanctions as established in the Livestock Premium List. All entry certifications MUST be signed by the exhibitor and his/her parent or guardian if the exhibitor is under 18 years of age. I UNDERSTAND AND ACKNOWLEDGE that participating in the Activities and use of the Facilities entails known and unanticipated risks which could result in PHYSICAL OR EMOTIONAL INJURY, PARALYSIS, DEATH, OR DAMAGE to myself, property, or to third parties. I **understand and acknowledge those risks** may result in claims against Releasees. However, I am making an informed choice to voluntarily accept such risks due to the benefits of the Activities, and I agree that the benefits of the Activities outweigh the risks, which include but in no way are limited to: (i) the acts, omissions or negligence in any degree of Releasees, or their agents or employees; (ii) the risks inherent in the Activities, including but not limited to any physical or mental injuries; (iii) latent or apparent defects or conditions of the Facilities; (iv) improper or inadequate instruction or supervision regarding the Activities or use of the Facilities; (v) the behavior of co-participants; (vi) accidents or incidents in the Facilities; (vii) acts, bodily injury, sickness, disease, injury or death caused by or attributable to my animals; and/or (viii) first aid, emergency or veterinarian treatment or services rendered or failed to be rendered by Releasees, or their agents or employees. Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
