About
THE STATE FAIR OF TEXAS

Since its inception in 1886, the State Fair of Texas has celebrated all things Texan by promoting agriculture, education, and community involvement through quality entertainment in a family-friendly environment. The State Fair of Texas is a 501(c)(3) nonprofit organization with proceeds helping to preserve and improve our home, Fair Park; underwrite museums, community initiatives, and scholarship programs to support students throughout the Lone Star State pursuing higher education; and help improve State Fair operations. The 2019 exposition runs September 27 through October 20 in Fair Park.

The State Fair of Texas is a 501(c)(3) nonprofit organization, and does not receive any government funding or support. Its nonprofit purpose is funded through the proceeds from the annual State Fair of Texas event. The net proceeds from the Fair are reinvested in Fair Park, in the form of capital improvements; given as scholarships to deserving students throughout the state of Texas; used to support the Fair Park museum facilities and community outreach programs; and used to improve the State Fair's operation.
