AFTER SCHOOL / SUMMER PROGRAMS

AFTER SCHOOL ALL-STARS DALLAS

Services Provided: After-School All-Stars North Texas (ASAS) is a non-profit organization that provides afterschool and summer academic enrichment for underserved middle school students. ASAS aims to keep youth safe and on track to graduating high school, going on to college or vocational school, and finding a career that they love. ASAS equips youth with core competencies required for success in the 21st Century. Our holistic program is designed to provide youth with the tools needed to equip them for a brighter future.

See website, linked below, for summer and other programs.

SEEDS TO STEM

Services Provided: The Seeds to STEM approach benefits this under served population by providing children an access point to gain the STEM and leadership skills employers are seeking. Through hands-on STEM activities that teach students how to improve community issues, Seeds to STEM, increases the positive attitudes of youth toward STEM. This decreases poverty and strengthens families by teaching students career-driven STEM skills that promote cooperative rather than competitive experiences, while providing a safe environment where youth can learn science, technology, engineering and math and become positive agents of change. **Contact:**
