*About*  
**THE STATE FAIR OF TEXAS**

Since its inception in 1886, the State Fair of Texas has celebrated all things Texan by promoting agriculture, education, and community involvement through quality entertainment in a family-friendly environment. The State Fair of Texas is a non-profit organization with all proceeds helping to preserve and improve Fair Park and underwrite museum, community and scholarship programs for inner city youth and students pursuing agricultural careers. The 2019 exposition runs September 27 through October 20 in Fair Park.

The State Fair of Texas is a 501(c)(3) nonprofit organization, and does not receive any government funding or support. Its nonprofit purpose is funded through the proceeds from the annual State Fair of Texas event. The net proceeds from the Fair are reinvested in Fair Park, in the form of capital improvements; given as scholarships to deserving youth throughout the state of Texas; used to support the Fair Park museum facilities and community outreach programs; and used to improve the State Fair's operation.
