

Archery Contestants,

We are excited to host you at the State Fair of Texas. The following are details regarding park entry/exit and contest line-up.

- Each of you received a season admission pass with your entry. If you were on the waitlist prior to being entered your passes may be in the Livestock Office in Cattle Barn 1 for pickup.
- With your pre-purchased parking pass, you will park in Bank Street Lot (LS1/LS2 Exhibitor Parking). If you did not pre-purchase a parking pass; you may pay to cash park in gate 2. Plan to arrive to the Fairgrounds early and allow yourself time to locate the contest area.
- You may enter the Fairgrounds through the Pan Am Gate or Gate 12 with your admission pass.
- Your bow and arrows must be properly secured in their appropriate case when entering the grounds. At the gate, it is important to express that you are competing in the Archery Contest.
- Upon arrival, you will be asked to go through security. Each exhibitor and bow will be screened to ensure every exhibitor's safety.
- The competition will be held in the Colosseum. Review the map below for reference.

- Contestant's bow and arrows are not permitted to leave the premises of the Colosseum except to exit the Fairgrounds.
- Contestants will line up through the horse barn to enter the Colosseum
- Heats as well as the updated schedule are posted on bigtex.com/livestock.

If you have any further questions, please reach out to livestock@bigtex.com.
