FAIR DATES: The 2023 Fair will be held at Fair Park in Dallas, Texas, from September 29, 2023 to October 22, 2023, unless postponed, shortened or extended by the Board of Directors, which they reserve the right to do if necessary for the safety and general welfare of all concerned.

HOMELAND SECURITY/EMERGENCY EVACUATION OF LIVESTOCK/PROPERTY STATEMENT: During such time as deemed necessary by local, state or federal authorities, State Fair, and/or its officials may, temporarily or permanently, evacuate Fair Park under the authority of the Homeland Security Act. Priority evacuation will be given to human life, then livestock and/or property. In such cases, exhibitors may turn over the care of their livestock or property to State Fair, or as directed by governmental authorities. Proper animal husbandry practices will be followed within reasonable expectations, as the circumstances dictate. At such time the evacuation notice is lifted, exhibitors will be allowed to re-enter Fair Park and claim their livestock or property.

INTERPRETATION OF RULES: State Fair reserves to its Board of Directors the final and absolute right to interpret these General Information and Rules, the Youth Livestock Show Special Rules, and/or any applicable special requirements as published in this exhibitor handbook (collectively, the "Rules") and to reasonably settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to the Fair, and the right to amend or add to these Rules as its judgment may determine. An exhibitor who violates any of the Rules may forfeit all privileges, fees paid and premiums awarded and may be subject to such penalties as the Board of Directors may determine. The failure of State Fair to enforce any of the Rules or any of its rights or remedies thereunder, or to exercise any options or sanctions therein provided, will in no way be construed to be a waiver of such Rules, rights, remedies, sanctions or options. Special rules or conditions are published in each department where necessary. If there is a conflict between the special rules or requirements of any department or division and these general rules and regulations, the special rules or requirements shall apply. In addition, any breed association rules or third-party organization's rules that are observed in the competitions, are subject to and may be superseded by State Fair's Rules, where applicable.

LIABILITY STATEMENT: All exhibitors and exhibits shall comply with these Rules. State Fair shall not be liable to exhibitor for lost profit or other financial loss of any type or description including any special, indirect, reliance, incidental or consequential damages which may be caused directly or indirectly by the enforcement of these Rules, or for any time delays, inadequacies of services of State Fair or any use of the premises or by any deficiency or defect therein. State Fair is not responsible for any loss, injury or damage caused by exhibitor or exhibitor's property that may arise directly or indirectly from exhibitor's participation at the Fair. Each exhibitor will be solely responsible for any such loss, injury or damage, whether to person or property, and shall indemnify and hold harmless the State Fair, City of Dallas, Fair Park First, Global Spectrum, L.P. d/b/a Spectra Venue Management, and their respective officers, directors, employees, elected and appointed officials, licensees, sponsors, volunteers, contractors, representatives, managers, agents, principals, successors and assigns, from and against all losses, damages, costs and legal proceedings arising therefrom.

DISCLAIMER OF WARRANTIES: State Fair expressly disclaims any express or implied warranties (including warranty of merchantability), whether the goods or services are provided by State Fair, its contractors or others (such as drug testing). State Fair does not provide special security or guard services for the livestock area and is not responsible for the acts of third parties. Exhibitor (and exhibitor's parent or legal guardian, if exhibitor is a minor) agrees and acknowledges that State Fair will disqualify any exhibitor whose animal tests positive for ANY drug, even if the exhibitor (and the exhibitor's parent(s)/guardian) are innocent of any wrongdoing and had no role in the administration of the drug indicated by the drug test. Even if the source of the drug is unknown, State Fair shall be entitled to disqualify the exhibitor. Disqualification will result in the forfeiture of all auction proceeds and/or premiums, and the exhibitor may be prohibited from participating in future State Fair shows and competitions.

COVID-19 WARNING, RULES AND ACKNOWLEDGMENT OF RISK: An inherent risk of exposure to COVID-19 exists in any public place where people are present, including State Fair's livestock events at State Fair's facilities at Fair Park. Facilities for the working press will be available through the State Fair's Public Relations Department.

FIREARMS: A person holding a valid Texas License to Carry a Handgun ("LTC"), or a valid concealed handgun license from a reciprocating state, is permitted to enter the fairgrounds with his or her concealed handgun, provided that he or she thereafter fully complies with all applicable laws. LTC holders are responsible for knowing and complying with all applicable Texas laws. State Fair prohibits Fair attendees (including LTC holders) from openly carrying handguns while at the Fair. If an individual attempts to enter the Fair with an openly carried handgun, he or she will not be allowed to enter the Fair unless he or she conceals the handgun (if he or she has a valid LTC) or secures the handgun in his or her vehicle or at some off-site location. If an LTC holder enters the Fair with a concealed handgun and then begins to openly carry the handgun, he or she will be asked to either conceal the handgun or to leave the Fair.

FIRE REGULATIONS: Smoking is prohibited in and around buildings in Fair Park, regardless of whether such building is open air or enclosed. No containers containing flammable liquids will be allowed in any buildings.

GUEST ASSISTANCE: It is the intent of State Fair to welcome all visitors and treat them with courtesy and respect. Should guests experience any problems with a State Fair employee or vendor, these concerns should be reported immediately to State Fair's Guest Relations or State Fair management, so that the matter can be addressed before the Fair concludes.

FIRST AID STATION: State Fair will maintain a completely equipped First Aid Station staffed by registered nurses, paramedics and/or emergency medical technicians to provide emergency treatment and facilities for injuries and illnesses occurring during the Fair. Any violators, both owner and fitter will be ineligible to exhibit cattle at ABBA approved shows for 5 years.
 - viii. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.
 - ix. For females being shown in the three oldest classes ****CURRENT YEAR LESS 3 YEARS**** (females calved Sept. 1 - August 31, 2020 for Fall Shows), exhibitor must have a certificate of pregnancy issued by a licensed veterinarian and will be presented to show officials at time of check-in or registration paper check. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. For Fall Shows only the last class of females is required to have a calf at side. The only exemption from this rule will be cows that have already weaned a calf and a registration certificate of the calf **MUST** be presented to the judge.
 - x. All bulls will be shown with a nose ring or nose restraint with lead attached. For bulls showing in the oldest class, the exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. This certificate must be available for inspection by the judge on request.
 - xi. No exhibitor shall be permitted to show more than one produce or embryo - produce of dam, per dam.
 - xii. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging.
 - xiii. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.
 - xiv. In the get-of-sire and produce-of-dam classes, breeders will not be allowed to show cattle of mixed color. They will be entered as to the color division they are assigned by the Color Committee for the show. If so, the follow-

ing procedure will apply. All gray cattle and solid black cattle will show gray. Red, black and white speckled or red and white speckled cattle will show red. Cattle with questionable colored pigmentation may be entered in the color division the breeder selects, however, said cattle are subject to inspection by a three member ABBA committee. If the Color Committee disagrees with the breeder, the pedigree of said animal will then be used to aid in the final determination, but color pigmentation will take preference. In those cases, where questionable colored cattle possess both red and gray breeding, then the committee will make the final determination. The decision of the committee is final. Once animals have been classified they will remain in that classification unless they were young at time of classification and it is apparent that they have changed their color. In the get-of-sire and produce-of-dam classes, breeders will be allowed to show cattle of varying color. They will be entered as to the color division of the sire in case of get-of-sire and dam in case of produce-of-dam. In other words, if a get is mixed red and gray and the sire was red; then the get will be entered in the red division show. At split shows where the color committee is not present, a staff member with (2) ABBA directors will clarify questionable colored cattle for that particular show. The final classification will be done by the Color Committee. {Revised 08/99}

- xv. The owner of record of any registered animal entered in an ABBA approved shows and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.
- xvi. For shows to remain approved ABBA point shows, show must maintain 75 head average for previous 2 years.
- xvii. The official ABBA rules and procedures governing showing and exhibiting of registered Brahman cattle supersede any rules printed in any show catalog.
- xviii. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may at the discretion of the Show Management and/or ABBA Officials be split by age as evenly as possible.
- xix. Any animal that exceeds the weight & measurement requirements at the International Brahman Show, National Brahman Show or any other designated show where weights & measurements are taken will be ineligible to show at any future ABBA approved shows until they reach the Junior Division. Any animal that exceeds the parameters and is shown at an ABBA approved show before reaching the Junior Division will be ineligible to show their remaining career. Both the exhibitor and owner of the previously disqualified animal that is shown before reaching the Junior Division will be ineligible to show their animals for 13 months following the infraction.
