

BIG **TEX**
COMMUNITY
ENGAGEMENT DAY
PRESENTED BY THE STATE FAIR OF TEXAS®

— OCT 8 —
2025

PROUD TO SERVE OUR COMMUNITY

As a long-standing Dallas institution, the State Fair of Texas has a unique appreciation for the local support that makes such a big event possible every year.

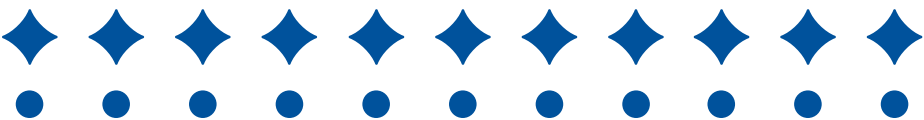

The Fair aims to give back through our partnerships with local organizations and initiatives while expanding outreach programs and placing a special priority on promoting community involvement.

NETWORKING FOR THE COMMUNITY

For the past seven years, we have been elated to bring together individuals from across the metroplex to Community Engagement Day.

Community Engagement Day offers individuals and nonprofit organizations the opportunity to meet, share resources, and connect in person. The State Fair of Texas is proud to collaborate and empower our fellow nonprofit organizations within the southern sector of Dallas, and we look forward to engaging with you through our quarterly Community Engagement Days.

The Community Engagement Day Resource Guide is designed to foster lasting connections between organizations, helping to strengthen our community beyond Community Engagement Day. These individuals and organizations have shared their contact information with the hope that, together, we can collaborate to uplift and strengthen our community.

Our impact focuses on three areas that complement our mission:

- **SOCIAL CAPITAL**
- **HUMAN CAPITAL**
- **FINANCIAL CAPITAL**

PARTICIPATE IN COMMUNITY EVENTS YEAR ROUND!

Sign up to receive our quarterly Community Involvement Newsletter, where we deliver news, grant information, a community calendar, and a virtual bulletin board that provides a platform for local organizations to share news and events with you.
