# CONTEST

# GLUE-A-SHOE

## CONTEST DESCRIPTION

Step into creativity—literally! The Glue-A-Shoe Contest invites crafty minds to transform a single shoe into a witty, laugh-worthy diorama where imagination runs wild and the shoe itself goes cleverly undercover. Contestants must design a miniature scene in which the shoe is disguised, hidden, or woven into the display in a pun-tastic and humorous way. Contestants will use **one shoe** (not a pair) to create their diorama that is appropriate for family viewing.

## JUDGING

Entries will be judged on craftsmanship, creativity, design, and overall presentation. This includes how well the shoe is hidden in the sculpture, how witty, funny, or creative the idea is, and the quality of detail used to create it.

## ENTRY FEES (PER ITEM)

# NEEDLEWORK

## CONTEST DESCRIPTION

The Decorative Needlework Competition invites exhibitors to showcase their creativity, skill, and attention to detail through the art of cross stitch, embroidery, and all things having to do with artistic stitches. This competition celebrates patience, precision, and artistic expression, and is open to stitchers of all experience levels. Please note there is a counted cross stitch sampler category. A **cross stitch sampler** is a small practice piece used to learn and demonstrate different stitches, techniques, and motifs. It may include simple designs, patterns, or lettering, and often features traditional elements like flowers, houses, or symbols. Originally used for learning, samplers are now creative keepsakes that showcase a stitcher's skill. A sampler is not an elaborate alphabet.

# SEWING & QUILTING

## CONTEST DESCRIPTION

This competition highlights beautifully sewn items of all kinds — from garments and accessories to home décor pieces such as table runners, appliqué work, and of course, quilts! All entries must be appropriate for family viewing. The entire design may not be displayed in the case due to space constraints, and not all quilts will be displayed by hanging. An applique work consists of pieces of fabric, cut into shapes that are sewn or fused onto a larger background fabric to create designs, pictures, and patterns. It often has edges turned under or finished with stitching. Applique is notably different than hand or machine embroidery.

Entries will be judged on craftsmanship and quality, creativity, design, and overall presentation.
